

## WEARSAFE PARENTAL CONSENT FORM

As regulated by the Federal Trade Commission (FTC) and the Children's Online Privacy Protection Act (COPPA), no child under the age of 13 may use the Wearsafe application without the express written permission of a parent or legal guardian. Parent or guardian consent is required for the collection, use or disclosure of personal information of children under the age of 13.

### What Information We Will Collect From Your Child

In order for a child under the age of 13 to create an account and send out alerts from the Wearsafe app, personal information of the child must be collected by the Wearsafe system. This information includes, but is not limited to, the child's:

name	email address	mobile phone number
date of birth	physical description	medical conditions
photo	physical location	mobile device information
audio	images/video	relationships

### Who We Will Share Your Child's Information With

In connection with a Wearsafe alert message being sent by or on behalf of your child, Wearsafe Labs will only disclose and/or allow access to your child's information to other members of your child's network and to emergency responders. Access to a child's network is invite-only.

### Children Under 13 May Not Receive Alert Messages From Other Wearsafe Users

Please note that given the mature and highly sensitive nature of information collected and transmitted in connection with a Wearsafe alert message, it is Wearsafe's policy that no child under the age of 13 will be permitted to receive an alert from another user of the Wearsafe system.
